§370.2 to conduct a client assistance program under this part.

Mediation means the act or process of using an independent third party to act as a mediator, intermediary, or conciliator to settle differences or disputes between persons or parties. The third party who acts as a mediator, intermediary, or conciliator may not be any entity or individual who is connected in any way with the eligible system or the agency, entity, or individual with whom the individual with a disability has a dispute. Mediation may involve the use of professional mediators or any other independent third party mutually agreed to by the parties to the dispute.

Services under the Act means vocational rehabilitation, independent living, supported employment, and other similar rehabilitation services provided under the Act. For purposes of the CAP, the term "services under the Act" does not include activities carried out under the protection and advocacy program authorized by section 509 of the Act (i.e., the Protection and Advocacy of Individual Rights (PAIR) program, 34 CFR part 381).

State means, in addition to each of the several States of the United States, the District of Columbia, the Commonwealth of Puerto Rico, The United States Virgin Islands, Guam, American Samoa, the Commonwealth of the Northern Mariana Islands, and the Republic of Palau (but only until September 30, 1998), except for purposes of the allotments under section 112 of the Act, in which case "State" does not mean or include Guam, American Samoa, the United States Virgin Islands, the Commonwealth of the Northern Mariana Islands, and the Republic of Palau.

§ 370.7 What shall the designated agency do to make its services accessible?

The designated agency shall provide, as appropriate, the CAP services described in §370.4 in formats that are accessible to clients or client applicants who seek or receive CAP services.

Subpart B—What Requirements Apply to Redesignation?

\$370.10 When do the requirements for redesignation apply?

- (a) The Governor may not redesignate the agency designated pursuant to section 112(c) of the Act and §370.2(b) without good cause and without complying with the requirements of §§ 370.10 through 370.17.
- (b) For purposes of §§370.10 through 370.17, a "redesignation of" or "to redesignate" a designated agency means any change in or transfer of the designation of an agency previously designated by the Governor to conduct the State's CAP to a new or different agency, unit, or organization, including—
- (1) A decision by a designated agency to cancel its existing contract with another entity with which it has previously contracted to carry out and operate all or part of its responsibilities under the CAP (including providing advisory, assistance, or advocacy services to eligible clients and client applicants); or
- (2) A decision by a designated agency not to renew its existing contract with another entity with which it has previously contracted. Therefore, an agency that is carrying out a State's CAP under a contract with a designated agency is considered a designated agency for purposes of §§ 370.10 through 370.17.
- (c) For purposes of paragraph (a) of this section, a designated agency that does not renew a contract for CAP services because it is following State procurement laws that require contracts to be awarded through a competitive bidding process is presumed to have good cause for not renewing an existing contract. However, this presumption may be rebutted.
- (d) If State procurement laws require a designated agency to award a contract through a competitive bidding process, the designated agency must hold public hearings on the request for proposal before awarding the new contract.
